# When Do Vehicles Require Title?

As of October 25, 2023

**All vehicles 25 years old or less are subject to Maine Title requirements.**

A vehicle older than 25 years, motorcycles/mopeds under 300 cc's, special/special mobile equipment and trailers 3000 lbs. or less (empty weight) are exempt from Maine Title requirements.

As of January 1, 2024, however, title applications for model years 1998 and older will no longer be processed by the Bureau. The chart below shows when certain model years become exempt from title requirements at which time the Bureau will not process applications.

<b>Calendar Year</b>	<b>Model Exempt Year</b>
January 1, 2024	1998
January 1, 2025	1999
January 1, 2026	2000
January 1, 2027	2001
January 1, 2028	2002

# Owner Title Holding States

Several states mail titles **directly to owners**, even though a title may list a lien holder.

Kansas

Missouri

Kentucky

Montana

Maryland

New York

Michigan

South Dakota

Minnesota

## **Customers moving to the State of Maine from one of those non-lien holding states and trading in their vehicle**

A title and released lien must be in hand, if applicable, to sell, trade, or register a vehicle.

Please, remember, the lien holder does not hold the title in these states!

If they do not have the title, they must obtain a duplicate from that state before they can sell, register, or apply for title in Maine.

# Vehicles from other Title Jurisdictions

New Hampshire ~ Title required for model year 2000 and newer

Rhode Island ~ Title required for all model years (Beginning 01/01/2024)

Vermont ~ Title required for all model years (Beginning 01/01/2024)

Connecticut ~ 20-year Title State

# Memorandum Titles

## Who issues these?

Connecticut

Kansas (Trucks & Commercial  
Vehicles Only)

Missouri

Pennsylvania

South Carolina

District of Columbia

Massachusetts

Ohio

Rhode Island (as of 11/7/03)

Texas

West Virginia

*Remember, the  
State of Maine  
will **not** accept  
Memorandum  
Titles as proof  
of ownership!*

# What is A Memorandum Title?

**A Memorandum Title is a non-negotiable title issued when the owner of a vehicle moves to a state that issues Memorandum Titles and the out of state title is held by the lienholder and not surrendered to that state at time of registration.**

# NEW vs USED

When a dealer sells a new vehicle, the assignment of ownership is made on the back of the MCO or on an MVT-16 attached to the MCO. The back of the title should be used before using an MVT-16. If using an MVT-16 the dealer must close the back of the title for example writing "See MVT-16"

When selling a used vehicle that is a model year less than 25 years old, the assignment of ownership is made on the reverse of the current title or on an MVT-16 attached to the current title.

“Used motor vehicle” means a motor vehicle that has been registered at least once or is not covered by a manufacturer's new car warranty.

It lists two requirements: applications must be stapled, and they must be in the same order as listed on form MVT-56. The main body of the form is a table with four columns: "CTA#", "OWNERS NAME (LAST, FIRST)", "VIN #", and "PURCHASE DATE". The table has 15 numbered rows. Below the table, there are fields for "Total\$" and "Check#:". At the bottom, there are fields for "BUSINESS NAME", "ADDRESS", "AUTHORIZED AGENT'S SIGNATURE", "Dealer Number", "TEL. NO", "EMAIL ADDRESS", and "DATE". The form also includes a reproduction permission and contact information for the Bureau of Motor Vehicles.

# Odometer Information

## MVT-32

**ODOMETER INFORMATION**

SECRETARY OF STATE  
BUREAU OF MOTOR VEHICLES  
ENFORCEMENT, ANTI-THEFT, &  
REGULATIONS - TITLE SECTION

Year	Make	Vehicle Identification Number	Date of Purchase
Owner's Name and Address			

The odometer has:  five digits  
 six digits

I state that the odometer of this vehicle now reads (no tenths):       mi km hr

I further certify to the best of my knowledge (check one):

The odometer reading above reflects the actual mileage/kilometers/hours.

The odometer reading reflects the amount of mileage/kilometers/hours in excess of its mechanical limits. (The odometer has made one or more complete revolutions.)

The odometer reading is **NOT** the actual mileage/kilometers/hours. **WARNING - ODOMETER DISCREPANCY**

If the odometer is not the actual mileage/kilometers/hours, odometer was (check one):

Replaced      Repaired      Was at one time inoperable (including disconnected)      Is still inoperable

**THE FOLLOWING INFORMATION MUST BE PROVIDED BEFORE TITLE WILL BE ISSUED:**

What was the odometer reading when it stopped working or was replaced?       mi km hr

How many mi/km/hrs were driven while the odometer was not working?       mi km hr

If repaired or replaced, odometer was set at:       mi km hr

**CAUTION:** Maine law, Title-29-A subsection 2106-2 allows for the service, repair or replacement of an odometer, as long as the odometer reading remains the same after the service, repair or replacement. If the odometer is incapable of registering the same mileage after the service, repair, or replacement, the odometer must be adjusted to read zero and a notice provided by the Secretary of State must be attached to the left doorframe of the vehicle.  
**Failure to attach such notice to the left door frame is a Class D crime.**

Under penalties of false statement, I certify that the above information is true.

1. This form may be required even though the Application for Certificate of Title provides for odometer information.
2. If the vehicle described was sold by a Maine licensed dealer to the owner shown, the dealer must sign this form. Otherwise, the current vehicle owner should sign this form.
3. This form was not designed to replace any other odometer disclosure form which the seller may be required to give to the buyer of a vehicle.
4. Odometer information is required by the Secretary of State so that the odometer reading of a vehicle may be shown on the Certificate of Title to the vehicle.
5. If "not actual" mileage is reported, reason boxes must be checked and mileage information questions must be answered.

MVT-32 (Rev. 7-2019)

Dealers are required to enter an accurate mileage reading on the title application even if the title is mileage exempt. The MVT-32 is used when a questionable odometer reading occurs on the MVT-2 or when an odometer is non-functional and replaced.

The MVT-32 provides areas to note what the odometer reading was when it stopped working, how many miles were driven while the odometer was not working, and if the odometer was repaired or replaced, what the new one was set at.

# Additional Title Forms to Use in Unique Situations

**MVT-5 Affidavit of Repossession** may be submitted to show repossession instead of the repossession being executed on the back of the title. This must be notarized.

**MVT-8 Duplicate Title Application** may be completed to request a replacement title when taking a vehicle in trade. The new title may be mailed to the Dealer's address if completed. If there is a current lien in the BMV system, the Dealer will need to obtain a lien release prior to a new title being issued.

**MVT-3 Request for Withdrawal** may be used when a Dealer wishes to cancel the transaction. The title fee is non-refundable. The transaction may not be cancelled if the vehicle has been registered to the applicant.

**MVT-10 Vehicle Identification Inspection** may be used if the vin is questionable or if the vehicle is being imported from another country.

**MVT-22 Affidavit of Surviving Spouse or Personal Representative** is used when death of an owner listed on the title has occurred.

**Dealers should contact the Titles Department at 624-9000 extension 52138 for assistance with any of the above processes.**

# Application for Certificate of Salvage MVT-102

- Legislation requires Insurance Companies to obtain Salvage Titles for total loss vehicles prior to transferring them.
- The Secretary of State requires this application for a Salvage Title for any total loss, even if the owner retains the salvage.
- A Salvage Dealer is obligated to file an application on behalf of the customer when a whole salvage vehicle is purchased.
- Remember: The insurance company *must* act on the application within 30 days of its receipt.
