

## **Chuck Hadyniak**

### **Municipal Coordinator**

A resident of the small town of Freedom, Chuck started working for the BMV in 2011 and has been a Municipal Coordinator since 2017. A native of New Jersey (don't hold that against him) his previous career included directing and producing local TV commercials and corporate videos ("Lights, Camera, ACTION!"). When not helping untangle registration scenarios for towns or designing training materials in his uniquely humorous way, he enjoys living the peaceful country lifestyle with his wife Lynn and their 3 dogs.
