Statutory Agent Bulletin: Changes to Maine BMV's Title Application Process

Changes to form MVT-2

BMV has made the following changes to form MVT-2 in anticipation of launching the **Electronic Lien Titling Program (ELT)**:

New blocks

BMV has added blocks 21a and 24a to form MVT-2 to collect a Lienholder Identification Number. Customers and agency staff may leave these blocks blank, unless they have paperwork from a lender indicating a Lienholder Identification Number.

New carbon copies

The owner, lienholder, and dealer carbon copies are no longer color coded on form MVT-2. Instead, each page is printed on white carbon paper with bold, red ink indicating to whom you should distribute each copy.

Please see the next page for a preview of the new MVT-2.

Updating Title Software

We have informed the manufacturer of TRIO about changes to form MVT-2. Please contact them for information about software updates.

If you use in-house software, please have your IT department contact BMV at the email below for additional information.

When to start using the new form

If you have not already started using the new version of form MVT-2, please begin doing so in January 2024. You can order the new version of the form by completing [the Form Request Sheet \(MVT-44\)](#).
