

Changes to form MVT-2

BMV has made the following changes to form MVT-2 in anticipation of launching the [Electronic Lien Titling Program \(ELT\)](#):

New carbon copies

The owner, lienholder, and dealer carbon copies are no longer color coded on form MVT-2. Instead, each page is printed on white carbon paper with bold, red ink indicating to whom you should distribute each copy. **Please note that customers will start using white owner's copy instead of a blue one to register recently purchased vehicles.**

New blocks

BMV has added blocks 21a and 24a to form MVT-2 to collect a Lienholder Identification Number. Customers and municipal staff may leave this block blank, unless they have paperwork from a lender indicating a Lienholder Identification Number.

Please see the next page for a preview of the new MVT-2.

When to start using the new form

If you have not already started using the new version of form MVT-2, please begin doing so in January 2024. You can order the new version of the form by completing [the Form Request Sheet \(MVT-44\)](#).

Title and registration software

If you use software to print title or registration applications, BMV has informed your vendor about these changes. Please contact them if you have questions about software updates.

For more information:
