<p>The Maine State Board of Education is frequently given an assignment from the Legislature to study an area of concern and bring information back to the Legislature, i.e. final report containing data and recommendations. The supporting material for the final report is used for informational purposes. Materials can be minutes, booklets, correspondence, data on members of the committee, supporting materials involving the conclusions for the final recommendations, a master report to be used for production of additional reports to be distributed, and pilot project test information. Several of these committees are long-term studies and can take as long as 5-10 years to complete and implement the recommendations.</p>	Paper	12/1/2000	Years	2		Years	0	Archives	Current
