

**REPORT OF BOARD AND COMMISSION  
TERMS THAT EXPIRED IN A PREVIOUS  
YEAR OR ARE VACANT THROUGH 12/31/2024**

**Shenna Bellows  
Secretary of State  
State of Maine**

**Information Regarding the 2025 Report of Board and Commission Terms that Expired in a Previous Year or are Vacant Through 12/31/2024.**

Maine Law requires the Secretary of State to produce this report:

**5 MRSA §12009**

**3. Report on appointments.** By December 30th of each year, the Secretary of State shall submit a report to the Governor, the Speaker of the House and the President of the Senate. This report shall include the following information and any additional information deemed important by the Secretary of State:

- A.** A list of appointments, by board, which will expire in the ensuing calendar year and for which reappointments or new appointments are required. This list shall include the date of expiration of the term of each appointment due to expire and the length of any existing vacancy;
- B.** The appointing authority responsible for making the appointments or reappointments as described in paragraph A;
- C.** A list of appointments due to expire in the following year which, by law, require a new appointment rather than reappointment of the person in that position; and
- D.** A list of appointments due to expire in the following year for which confirmation by the Senate is required.

Persons interested in appointments should not assume that *all* information on a board/commission or its members is contained herein. Persons interested in appointments should consult the statutes or appointing authority for the complete make-up on any particular board or commission.

The file from which this list derives is based on the statutory inventory of boards and commissions found in 5 MRSA c.379. The purpose of this inventory is “...to provide the State with a complete inventory and central listing of all boards, commissions, committees, councils, authorities and other similar organizations established by the Legislature as a means of controlling the

proliferation of these organizations and as a means of reducing duplication and making the most efficient use of these organizations ...” (§12001). Short-term task forces and committees are not listed in the inventory and therefore are not covered by this vacancy list.

The following is a list of the boards or commissions that were repealed from Title 5, chapter 379 in 2024:

- The Advisory Committee on Fair Competition with Private Enterprise
- The Advisory Committee on Medical Education
- The Science, Technology, Engineering and Mathematics Council
- The Maine School for Marine Science, Technology, Transportation and Engineering and its board of trustees
- Maine Public Utility Financing Bank, Board of Commissioners
