3. Adjudicatory Hearings:

   RE: Request to reopen the 2020 Race Date Assignment Hearing: Davric Maine Racing LLC has requested to reopen the 2020 race date hearing for the purpose of modifying which days of the week they will race while no other tracks are operating in the State.

4. Consideration of an Emergency Amendment to Chapter 7. The Maine Harness Horsemen’s Association supports altering the standard purse distribution formula outlined in Sections 75 and 76 of Chapter 7 to pay the first 6 finishers based on the following percentages: 48-24-12-8-5-3. The Commission will consider whether to approve the proposed amendment on a temporary/emergency basis.

5. Request to Provide Temporary Cost Support Assistance to Scarborough Downs. In collaboration with Maine’s horsemen, Davric Maine Racing LLC has agreed to try opening the 2020 race season without spectators. The main purpose for opening without spectators is to provide a means to disburse purses to the horsemen who have not received a paycheck since December. Unfortunately, the closing of Scarborough’s simulcast business and the lack of spectators will leave the Downs with essentially no revenue stream to offset the steep costs of conducting a race meet. Consequently, the Department proposes to provide partial cost support to facilitate reopening until spectators are allowed to return.

6. Formation of the Maine Harness Racing Industry Advocacy Committee. Given the unprecedented times and the corresponding impacts on every segment of Maine’s harness racing industry, the Department proposes to form a small, informal advocacy committee to facilitate coordination and dialog between all segments of Maine’s harness racing industry.
