I. Meeting schedule for next two weeks
   Same as current schedule for next 3 weeks:
   **8:30am-10am**
   June 3-4
   June 10-11
   June 17-18
   June 24-25
   Fridays 9-10:30

II. Establish Internal Timelines

III. Issues (outside of the 14 days/testing) to address:
   - What workforce challenges will likely emerge in the coming weeks that will be an impediment to reactivation? How could these be addressed?
   - What regulations (different from the specific re-opening decisions) are a likely impediment to businesses staying afloat and preparing to reactivate in the coming weeks and months?
     - Changes to local and state regulations that could open more possibilities for doing business outside on streets and other public places
   - What are other predictable chokepoints for reactivation, such as access to PPE & cleaning products, or other inputs?
   - Once rules are clearer around re-opening in the summer season, how might Maine’s overall marketing be targeted and conducted to have maximum impact? What needs to happen differently this year
