Governor’s Economic Recovery Sub-committee

Infrastructure (Transportation, construction, broadband, and banking)

AGENDA
Wednesday, 8/12/20

- Introductions
- Phase II Tasks – Task 1
  Each subcommittee will validate the action items identified in the 10-year Economic Development Strategy and consider:
  - Given COVID-19, what key assumptions in the 10-year Strategy are no longer relevant?
    - What key assumptions are correct and increasingly important?
  - What new opportunities and challenges exist that were not envisioned in the Economic Development Strategy?
  - Where are the gaps? How can those gaps be filled?

- Energy Infrastructure
  - Schedule joint meeting with Innovation and Manufacturing and Natural Resources sub-committees?
