XXIII. Adjournment ......................................................................................................................11
The Board met in public session, with the exception of the times listed below, which were held in executive session. Executive sessions are held to consider matters which, under statute, are confidential (e.g., 1 M.R.S. § 405; 10 M.R.S. § 8003-B; 22 M.R.S. § 1711-C; 24 M.R.S. § 2510; 32 M.R.S. § 3282-A). The Board moved, seconded, and voted the following executive session times. During the public session of the meeting, actions were taken on all matters discussed during executive session.

**EXECUTIVE SESSIONS**

9:25 a.m. – 9:30 a.m.  Break
11:05 a.m. – 11:15 a.m.  Break

I.  Call to Order

Dr. Gleaton called the meeting to order at 9:11 a.m.

A.  Amendments to Agenda

Dr. Sacchetti moved to amend a monitoring report regarding Lowell I. Gerber, M.D. onto the agenda. Mr. Ross seconded the motion, which passed unanimously.

B.  Scheduled Agenda Items
II. Licensing

A. Applications for Individual Consideration

1. Initial Applications
   a. Josephine P. Briggs, M.D.
      The Licensure Committee moved to table the application and request that Dr. Briggs submit a clinical reentry plan. The motion passed unanimously.
   b. Brian D. Shea, P.A.
      The Board reviewed Mr. Shea’s administratively incomplete license application. The application will be discarded per Board rule.

2. Reinstatement Applications (none)

3. Renewal Applications
   a. Edward Bogner, M.D.
      The Licensure Committee moved to approve Dr. Bogner’s renewal application and send him a letter concerning his prescribing practices. The motion passed unanimously.
   b. Albert Whiting, M.D.
      The Licensure Committee moved to approve Dr. Whiting’s renewal application and to issue a complaint (CR17-49). The motion passed unanimously.

4. Requests to Convert to Active Status (none)

5. Requests to Withdraw License/License Application (none)

6. Requests for Supervisory Relationships
   a. Stephanie Graves, P.A.-C
Mr. Ross moved to table the registration application pending further investigation. Dr. Sacchetti seconded the application, which passed 5-0-0-1. Dr. Jones was recused from this matter and left the room.

B. Other Items for Discussion

1. PA License Expiration Dates

The Board reviewed changes to the process for renewal of physician assistant licenses. Previously, the renewal process included a 30-day grace period following the license expiration date and a 30-day administrative suspension prior to lapse of the license. The Chapter 2 Joint Rule Regarding Physician Assistants, effective in July of 2016, eliminated the grace and suspension periods. Pursuant to the current rule, once the license expiration date has passed the license is expired. The physician assistant will have up to 90 days past the expiration date to renew the license, but the renewal will take effect the day the application is processed. After the 90-day expiration period has passed, the license will lapse. Staff informed the Board that the change to the renewal process had not been implemented. The change will be implemented following a notification in the Board’s newsletter.

2. Renewal Questions

The Licensure Committee moved to approve proposed revisions to questions on the Board’s renewal applications. The motion passed unanimously.

3. License Renewal Survey

The Board is working in conjunction with the Office of Rural Health and Primary Care to obtain workforce data from licensees. The information is used to help determine the amount of federal assistance each area in Maine will receive. A short survey has been developed to be taken at the time of license renewal. The Board expects the surveys to begin in April.

4. Failed Exams

Board staff requested clarification regarding the review process for applicants who fail the jurisprudence exam. The Board instructed that all applicants who fail the exam should be scheduled to appear before the Licensure Committee.

C. Withdraw License from Registration

Mr. Ross moved to approve the following licensees’ requests to withdraw their licenses from registration. Dr. Barnhart seconded the motion, which passed unanimously.

IV. Complaints

1. CR16-175 Nathan M. Bisson, P.A.

Mr. Ross moved to dismiss the complaint with a letter of guidance. Dr. Sacchetti seconded the motion, which passed unanimously.

MOTION: In this case, the Board received a complaint from a patient’s mother that the physician assistant did not provide adequate care for her son. Specifically, she alleged that he misdiagnosed an abscess as mumps and quarantined the patient unnecessarily for five days without doing confirmatory blood tests or contacting the Maine Center for Disease Control and Prevention (CDC). The patient’s primary care provider later admitted him to the hospital for treatment. The physician assistant explained the rationale for the treatment that was provided and indicated that he did speak to colleagues, an affiliated lab, and the CDC concerning the patient, but did not document those communications.

The letter of guidance will advise the physician assistant that accurate and complete medical records are necessary and required to ensure appropriate and competent medical care. Inaccurate, incomplete or inconsistent documentation may negatively impact a patient or their care.

2. CR16-246

Dr. Jones moved to dismiss the complaint. Dr. Sacchetti seconded the motion, which passed 5-0-0-1. Dr. Gleaton was recused from this matter and left the room.

MOTION: The Board reviewed patient records from the physician’s practice due to concerns about high doses of narcotics and benzodiazepines prescribed to multiple patients. Although the doses of both classes of drugs were high, attempts and success at dose reduction were evident, as was appropriate charting, urine drug screens, PMP reviews, pill counts and controlled substance agreements. There was pill creep with many patients, the responsibility of the physician, which could have been better addressed by the rule of sevens.
in prescribing (seven day multiples). Management of these patients does not represent unprofessional or incompetent practice of medicine.

Nevertheless, the Board remains extremely concerned about the combination and high doses of narcotics and benzodiazepines in the treatment of pain and anxiety in this state, and urges all practitioners to be fully cognizant of these concerns.

3. **CR16-249**

Dr. Jones moved to dismiss the complaint. Dr. Barnhart seconded the motion, which passed unanimously.

**MOTION:** The patient complains of his diagnosis after the insurance company denied payment, and requested that the provider resubmit the claim with an alternative diagnosis. After careful review of the record and patient history, including the initial visit with this provider, the information provided to the insurance company was accurate. The patient, who has done extensive research online, was treated fairly and honestly, and given a diagnosis consistent with symptoms presented.

4. **CR16-263**

Dr. Barnhart moved to dismiss the complaint. Ms. Weinstein seconded the motion, which passed 5-0-0-1. Dr. Sacchetti was recused from this matter and left the room.

**MOTION:** The physician is accused of inappropriate behavior not involving patients ten years ago. In addition, a variant of less inappropriate behavior not involving patients was uncovered during the current investigation. The physician was thoroughly examined by an expert staff and is in ongoing contact with very knowledgeable treating clinicians. There is no threat to patients and the physician is being appropriately treated for his disorder.

5. **CR16-110**

Dr. Jones moved to table the complaint. Dr. Sacchetti seconded the motion, which passed unanimously.

6. **CR16-251**

Dr. Sacchetti moved to dismiss the complaint. Ms. Weinstein seconded the motion, which passed unanimously.

**MOTION:** The spouse of a patient who filed a disability claim insists that the physician reviewer for the insurance company has been practicing outsider her bounds under an administrative license and that she misrepresented her credentials. The allegation that the physician was practicing clinical medicine is not supported by the documentation presented by the complainant.
Following review of this complaint, Dr. Sacchetti moved to issue a complaint (CR17-50) against the physician for failure to respond to a complaint notification from the Board. Ms. Weinstein seconded the motion, which passed unanimously.

7. CR16-257 Verne M. Weisberg, M.D.

Mr. Ross moved to dismiss the complaint with a letter of guidance. Dr. Sacchetti seconded the motion, which passed unanimously.

**MOTION:** In this case, the Board received a complaint from a patient that the physician and his weight loss management practice acted in an unprofessional manner and that he had not been provided with accessible care because he had significant difficulty reaching the clinic by phone. In addition, the patient stated that the abrupt departure of two providers coincided with his inability to reach the practice and when he did reach them he was informed that it was closing. The patient felt that the providers were under-prepared to counsel patients on weight loss. Finally, the patient raised concerns regarding a perceived conflict of interest by a mental health provider. The physician responded that he provided no direct care to the patient and that patients were given adequate notice of the departure of the two physicians and the closing of the clinic.

The letter of guidance will advise the physician that: 1) communication with patients is very important when changing practice policies and/or closing a practice. The Board recommends that he familiarize himself with his professional and legal obligations when closing a practice. Resources exist that can provide assistance, e.g. the “Physicians Guide to Closing a Medical Practice” which can be found on the Maine Medical Association’s website; and 2) the administration of vitamin B12 injections should not occur without prior testing of serum B12 levels.

8. CR16-261

Mr. Ross moved to investigate further and order that the licensee undergo a §3286 evaluation. Ms. Weinstein seconded the motion, which passed unanimously.

9. CR17-4

Mr. Ross moved to approve the complainant’s request to withdraw the complaint. Dr. Jones seconded the motion, which passed unanimously.

10. CR17-19

Ms. Weinstein moved to dismiss the complaint. Dr. Jones seconded the motion, which passed unanimously.

**MOTION:** The patient complains that her physician failed to follow up several months after a breast reduction and cosmetic liposuction, and she complains of pain and dissatisfaction with the elective procedure. She is also upset that there has been no insurance coverage and
the bill has been sent to collections. Review of the records reveals that the patient, who previously had Anthem Insurance, became eligible for MaineCare and her Anthem policy was terminated three months prior to the procedure. She did not advise the office of this change at her pre-op visit and only let the hospital know the night before surgery. Additionally, the physician and the patient had arranged for the cosmetic procedure to be paid in full with two payments, the first one week before the procedure and the second the day after. The patient paid neither, although the physician performed the procedure in good faith. He then had the patient sign a contract for monthly payments. Although the physician does not accept MaineCare, he attempted unsuccessfully several times to submit the paperwork for the claim. MaineCare used a very old mailing address for the physician for time-sensitive requests and the claim was eventually denied after a deadline. After careful review, it appears the physician made several attempts to work with the patient in regard to the insurance and payment for the cosmetic procedure. The patient did not call or show for her three month postoperative appointment, and she could not be reached by telephone or e-mail for follow up appointments.

11. CR16-259

Dr. Barnhart moved to deny the physician’s request for reconsideration of the Board’s decision to impose discipline. Ms. Weinstein seconded the motion, which passed unanimously.

V. Assessment and Direction

12. AD17-21

Dr. Jones moved to close the matter with no further action. Mr. Ross seconded the motion, which passed unanimously.

13. AD16-229

Dr. Jones moved to issue a complaint (CR17-51). Dr. Sacchetti seconded the motion, which passed unanimously.

14. AD17-13

Dr. Jones moved to issue a complaint (CR17-52). Ms. Weinstein seconded the motion, which passed 5-0-0-1. Dr. Sacchetti was recused from this matter and left the room.

15. AD17-30

Dr. Jones moved to issue a complaint (CR17-53). Dr. Barnhart seconded the motion, which passed 5-0-0-1. Dr. Sacchetti was recused from this matter and left the room.

16. AD17-09
Ms. Weinstein moved to issue a complaint and refer concerns to the Department of Health and Human Services Office of Program Integrity. Mr. Ross seconded the motion, which passed 4-2.

Upon further consideration, Ms. Weinstein moved to issue a complaint (CR17-54). Dr. Jones seconded the motion, which passed 5-1.

Dr. Barnhart moved to refer concerns to the Department of Health and Human Services Office of Program Integrity. Mr. Ross seconded the motion, which passed unanimously.

17. AD17-23

Dr. Barnhart moved to issue a complaint (CR17-59) and order that the physician undergo a § 3286 evaluation. Mr. Ross seconded the motion, which passed unanimously.

18. AD17-44

Dr. Jones moved to issue a complaint (CR17-55). Ms. Weinstein seconded the motion, which passed unanimously.
