The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 238, “An Act to Amend the Maine Medical Marijuana Act.”

LD 238 is the type of unfortunate legislation that places the interests of a small, vocal minority before that of everyday Mainers. Put plainly, this bill needlessly jeopardizes public health and safety under the guise of benefiting patients of Maine’s medical marijuana program.

LD 238 allows these types of businesses to operate in the absence of department rule or certification, posing a significant risk to the public since the legislation allows inherently hazardous materials to be used during extraction. Lawmakers need only look at the recent incidents in Ellsworth and Biddeford for an example of just how dangerous it can be to extract marijuana concentrates with these materials. Passing legislation that would permit newly established manufacturing facilities to conduct this same work in the absence of rule or certification is irresponsible, at best.

As if this were not offensive enough, LD 238 includes an immunity provision that shields these new extraction facilities and their owners, officers, and employees from “arrest, prosecution, search, seizure or penalty in any manner” related to their work. Civil penalties and disciplinary action by licensing boards is also prohibited.

For these reasons, I return LD 238 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

Paul R. LePage
Governor
