The Maine Bicycle tours are published by the Maine Department of Transportation (MaineDOT) as an aid to bicyclists. All routes shown on these tours are on regular state and local roads used by automobiles, trucks, buses and other motorized vehicles. MaineDOT makes no warranties or representations of any kind, express or implied, whether with respect to merchantability, fitness for a particular purpose, or otherwise, as to the safety or quality of the roads shown on these tours. MaineDOT in no way warrants the safety or suitability of the routes indicated on these tours for shared bicycle/motor vehicle use or for use by young and/or inexperienced riders. Bicyclists assume the risk for their own safety at all times when traveling on the indicated routes. The routes have been selected by experienced bicyclists as scenic routes and inclusion of a tour in the book does not indicate that the roads are in good condition or currently or ever will have paved shoulders.

Although the MaineDOT has made a reasonable effort to ensure that the information contained in the guide is correct as of the date of publication, the actual conditions riders encounter may vary from those shown on the map. MaineDOT assumes no liability for personal injury or property damage suffered by bicyclists. Mileage readings may vary. We recommend you carry a detailed map of the area with you.
