DATE: January 31, 2011
TO: Interested Parties
FROM: Russell J. Begin, Acting Director, MaineCare Services

This letter gives notice of a proposed rule: MaineCare Benefits Manual, Chapter III, Section 50, Principles of Reimbursement for Intermediate Care Facilities for the Mentally Retarded. The rule is being reproposed to reschedule a public hearing cancelled due to the closure of all State offices on December 27, 2010 and to allow time for public comment on the proposed rule.

This rule does away with costs for Community Support Services (formerly called Day Habilitation Services) as part of the cost basis of the per diem rate for Intermediate Care Facilities for persons with mental retardation. Instead, the rule refers providers to the reimbursement methods and rate for Community Support Services set forth in the MaineCare Benefits Manual, Chapters II and III, Section 21. The amendment is made necessary by the repeal of MBM, Section 24, Day Habilitation Services. The amendment will also allow the billing code for this service to conform to federally required codes and the implementation of the Department’s new claims processing system. This allows the provider to be reimbursed using a revenue code on the UB billing form instead of billing on a CMS 1500 billing form. This will simplify the billing process for providers. Since this rule is a Major Substantive rule, it will not be finally adopted until approved by the Legislature. This change was adopted by emergency rule effective April 1, 2010.

A public hearing is being held on March 3, 2011. The deadline for submitting comments is March 14, 2011.

Rules and related rulemaking documents may be reviewed at and printed from MaineCare Services website at or, http://www.maine.gov/dhhs/oms/rules/provider_rules_policies.html or a fee, interested parties may request a paper copy of rules by calling 207-287-9368. For those who are deaf or hard of hearing and have a TTY machine, the TTY number is 1-800-606-0215.

A concise summary of the proposed rule is provided in the Notice of Agency Rule-making Proposal. This notice also provides information regarding the rule-making process. Please address all comments to the agency contact person identified in the Notice of Agency Rule-making Proposal.
