Economic Recovery Committee
Manufacturing and Natural Resources-Based Industries Subcommittee
Tuesday, July 28, 2020 – 10:00am

1. The following subcommittee members were in attendance on the call:
   - Chair: Larry Shaw, MMG Insurance
   - Jesse Connolly, Office of Representative Chellie Pingree
   - Susan Hammond, Four Directions
   - Sam May, Maine Harvest Federal Credit Union
   - Alan Perry, Farm Technologies Network
   - Steve Schley, FOR/Maine
   - Staff and Support Experts:
     - Mary Grace Schley, Maine Department of Economic and Community Development
     - Hannah Carter, UMaine Cooperative Extension
     - Richard Qualey, Intern, University of Maine School of Law

2. Path Forward:
   - The Economic Recovery Committee is shifting into the recovery phase which will focus on getting Maine’s economy back on track to the Governor’s Strategic Economic Development plan (10-Year Plan). The full Committee co-chairs will be providing more information on Friday about how Committee members will be reorganized going forward to address this work.
   - Friday’s full Committee meeting will largely focus on recommendations that didn’t make it into the July 15 report. Subcommittee members will be prepared to speak about any of our recommendations that may come up, particularly the Maine Goods for Maine People recommendation that cuts across many sectors and State agencies.

3. Follow-Up Items:
   - Talking points for Friday on Maine Goods for Maine People—Mary Grace & Richard

4. Next Meeting: TBD.
