Don’t let illness get in the way of your plans

GET VACCINATED

You may be due for one or more of the following vaccines:

Flu (Influenza)
- Spreads easily in school settings
- Even healthy people can get the flu and be seriously ill

Meningococcal
- Affects the brain and spinal cord
- Spread through coughing, kissing and sharing food or drinks with infected persons

Tdap (Whooping Cough)
- Tetanus - Found in soil and enters the body through a wound
- Pertussis - (Whooping cough) Causes severe coughing
- Diphtheria - Although rare, can cause serious illness and can be deadly

HPV (Human Papillomavirus)
- Causes genital warts in males and females and cervical cancer in females
