Note: The Commission held a public hearing on Central Maine Power Company's proposed New England Clean Energy Connect (NECEC) project following its regular business meeting. The public hearing began at 10:30 a.m. in the North Dining Hall at the University of Maine Farmington, 111 South Street, Farmington, Maine. The Commission received testimony from parties to this proceeding during the daytime session of the public hearing. The Commission held an evening session of the public hearing on the NECEC project which began at 6:00 p.m. in the Lincoln Auditorium on the University of Maine Farmington campus. The Commission received testimony from interested members of the public during the evening session. More information about the public hearing and NECEC project is available on the Commission's [website](#).
