 Maine Supreme Judicial Court

Pending before the Court is the Board of Overseer's Petition for Discharge and Receiver's Final Report.

The Court finds Mr. Dennen, the Receiver, has satisfactorily determined Mr. Reitman held no client property or funds at the time of Mr. Reitman's death.

The Court finds Mr. Reitman had delivered files to clients or alternatively incinerated client files prior to his death. No index of destroyed or returned files was made by Mr. Reitman before his death, and there is no way to create a listing of files returned or destroyed.

The Receiver reports Mr. Reitman used a laptop computer in his practice but used the same laptop for his personal matters. Those digital documents relating to Mr. Reitman's clients have been copied to an external storage device.

The Petition for Discharge is GRANTED as follows:

It is ORDERED that Sebastian Dennen, Esquire, shall act as primary file caretaker of Mr. Reitman's digital client documents. Accordingly, Mr. Dennen shall obtain and secure the external storage device. Mr. Dennen shall confirm to Special Bar Counsel that the laptop no longer allows access to Mr. Reitman's client documents.

It is further Ordered that the Receiver close the operating account and remit any remaining funds to the Reitman Estate. The Receiver shall also close the IOLTA account.

It is hereby ORDERED, that Sebastian Dennen, Esq. is discharged as Receiver of the law practice of Jonathan Reitman, Esq.

In that regard, the Court acknowledges the generosity, extensive efforts, and valuable service Attorney Dennen has provided as Receiver and extends its sincere appreciation for his numerous hours of work in this process. Attorney Dennen is commended for his *pro bono* work in this matter.
