Re: Request to Withdraw your Renewal Application

Dear Dr. Silber:

On **April 8, 2016**, your request to withdraw your application for renewal of licensure was received by this office. As you are aware and as noted in your request, the request to withdraw occurred while you were under investigation. On **April 12, 2016**, your request was presented to the Board and approved. Your license was withdrawn effective **April 12, 2016**. This action is reportable to the National Practitioner Data Bank. Should you apply again for a Maine license in the future, you will be required to meet all licensure requirements in effect at the time of application and the Board may consider whether any grounds exist to deny the application, including any grounds for denial that may arise out of the conduct that gave rise to the investigation.

We are available to assist you should you have any questions.

Sincerely,

Tammy Veinott
Licensing Specialist
