Zika virus disease, non-congenital	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	1

This includes investigations initiated on samples collected from January 1, 2017 through December 31<sup>th</sup>, 2017. Only investigations with a case status are included in this report. For all outbreak conditions confirmed, probable, and suspect case statuses are included. For non-outbreak conditions confirmed and probable case statuses are included. If a condition is not listed that means no cases met the case definition during this time.
