### **Payroll Service Providers, Transmitters and Software Developers**

On November 16, 2018, the Maine Department of Labor (MDOL) implemented the final stage of its modernized unemployment insurance (UI) Tax application, *ReEmployME*.

1. Please do not submit test data into the *ReEmployME* application. Maine prohibits external stakeholders access to the *ReEmployME* Test Environment.
2. In order to best support and facilitate the transition of quarterly UI reporting from Maine Revenue Services (MRS) to MDOL, the MRS Maine Employers Electronic Tax Reporting System (MEETRS) will remain in operation through February 12, 2019. After such time, electronic filing of Quarterly Tax and Wage Reports will be submitted directly with MDOL through the *ReEmployME* application at <https://www.maine.gov/reemployme>

Thank you for your continued support. If you have questions, or require assistance, please call (207) 621-5120 (or toll free 844-754-3508) or email [division.uctax@maine.gov](mailto:division.uctax@maine.gov)
