- Quick Links List
- Layout of the home page

The screenshot displays the ReEmployME home screen. At the top, there is a navigation bar with 'Maine.gov' and links for 'Agencies', 'Online Services', 'Help', and a search function. The main header features the 'REEMPLOY ME' logo with the tagline 'Unemployment System Alliance Partner' and the 'MAINE DEPARTMENT OF LABOR' logo with the tagline 'Division of Unemployment Compensation'. A user is logged in, with a 'Welcome' message and a 'Home | Log out' link.

Below the header is a horizontal menu with buttons for: 'Unemployment Claim', 'Weekly Claim', 'Update Address', 'Benefit Maintenance', 'Inquiry', 'Correspondences', 'File Appeal', 'ReEmployment Services', 'View & Print 1099', 'Provide PUA Proof of Earnings', 'Provide PUA Proof of Employment', 'MEUC Application', 'Identity Verification with ID.me', and 'PUA Identity Documents'. A secondary menu includes 'Online Interview' and 'PUA Recertification'.

The main content area shows the user's last login time: 'You last logged in at 10/25/2021 12:30:01 PM'. On the left, a 'Quick Links' sidebar lists: 'Weekly Pay Status', 'Apply for Unemployment', 'File a Weekly Claim', 'Update Payment Information (Debit Card/Direct Deposit)', 'My Account Information', 'View Claim Documents', 'View/Print Claim Summary for Income Verification', and 'PUA Recertification'. The central area displays 'Claim & Weekly Claim Status' with details: 'Your Claim Period: 05/09/2021 to 05/08/2022', 'Maximum Weekly Benefits: \$454.00', 'Total Amount of Benefits for Your Claim Period: \$11804.00', and 'Remaining Balance of Benefits: \$9988.00'. A note indicates 'Your waiting period has not been served for your current claim period.' On the right, a 'News & Announcements' section contains three items: a 'PROOF OF EMPLOYMENT REQUIRED' notice, an 'ATTENTION' warning about bad actors, and a notice about 'Starting October 4, Work Search Related Activities'.

- All the information you need is still at your fingertips on the Quick Links bar.

 News & Announcements

- ▶ **PROOF OF EMPLOYMENT REQUIRED: Those who collected Pandemic Unemployment Assistance (PUA) during January 2021 or later and have received a notice from us to provide proof you were self-employed or working at the time the COVID-19 pandemic emergency caused you to become unemployed, DO NOT IGNORE IT. The letter was sent because our records indicate it applies to you. Failure to respond will result in having to pay back any benefits you received in 2021. Check your Correspondence for the letter.**
- ▶ **ATTENTION: We have been made aware, bad actors are logging into unemployment accounts across the country and changing payment accounts. To ensure this doesn't happen to you, go to Benefits Maintenance > Payment Options and verify your payment information is correct. Also, click on the link in Benefits Maintenance to verify your email address. After verifying your email, we recommend you change your password to one that you are not using in any other online system.**
- ▶ **Starting October 4, Work Search Related Activities will be required to continue to qualify for weekly unemployment benefits. This requirement is the same no matter which unemployment program you are receiving unemployment benefits from. For a list of work search related activities visit <https://www.maine.gov/unemployment/faq/worksearch/index.shtml> for details.**
